- › Equipped with HEPA filter

HEIGHT	170MM
WIDTH	282MM
PROJECTION	139MM

PRODUCT CODES

BC2004-BM - High Speed Hand Dryer, Brushless Motor

BC2003-BM - High Speed Hand Dryer, Brushed Motor

PLEASE NOTE: We strongly recommend that the surfaces beneath and to either side of this dryer allow regular cleaning (such as smooth cleanable paint, tile, Perspex, stainless steel etc) to prevent staining from the water blown from users hands. New generation high speed dryers such as this are designed to blow the water off the hands so consideration like this needs to be given to deal with the water deposits.
