WASHWALL DOC M WC PACK - BACK TO WALL

- › Accessible WashWall ensures consistency of design between the accessible washroom and other washrooms
- › Designed in conjunction with wheelchair users, access specialists and BS8300
- › Completely compliant with Part M of the Building Regulations
- › Full pack of products and components to install an accessible toilet and washroom for Doc M compliance
- › Includes the WashWall system, with all the incorporated benefits
- › Wall mounted and Close coupled WCs are also available on request
- › White toilet seat also available as an option - please contact the team for more information
- › Options for both right hand and left hand wheelchair transfer
- › To assist blind or partially sighted persons in navigating the washroom there should be a contrast difference of 30 between the LRV (Light Reflective Value) of fixtures/fittings and surrounding surfaces as well as between floors, walls, doors and ceilings. Contact the Dolphin Technical Team for assistance.
