DOLPHIN

DS312

# STRATAPLATE PANEL MOUNTED 90° INFORM SOAP DISPENSER

› Touch free wall mounted infrared soap dispenser - StrataPlate version
› Comes as standard with 150mm projection, other lengths are available on request
› High quality 316 stainless steel construction
› Available in liquid (.L) and foam (.F) soap versions
› Available in Brushed and mirror polished stainless steel, PVD, Ceramic coating in all colours, and Powder coated in any RAL colour.
› Soap Reservoir options include – 1,2 or 5 ltr bottle, multifeed systems (cartridge systems) or DS800 or DS810 cartridge systems
› Designed to be paired with DS112 tap
› SMART enabled to allow for better control of your washroom (when bought with a bluetooth adaptor)
› Can be bought with a hard wired or plug in transformer
› Designed as a plug and play system for most common installations – but in special cases, soap delivery time, pump speed, and sensor distance setting can be changed via dolphin app when bluetooth adaptor is installed
› StrataPlate kit to allow for hassle-free installation (offset adaptor available to reduce wall space needed in the vanity) No access panel needed when StrataPlate system is installed
› Comes with 1.4m conduit
› Effective maximum length of soap tube and cable is 1.8m
› 19mm mounting hole in splashback required
› WELL compliant if you take out bottle and clean or replace every time before refilling - or you can also use a cartridge system to achieve this
› Default liquid soap dose of approx. 1ml
› 5 year warranty
› Doc M compliant
› Typical power consumption 0.5A per activation
› Supplied with 1A power supply
› Working parts are all housed inside the body – saving space in the wall cavity, and ease of maintenance
